Dear Mr. Linebarger:

RE: Final Approval of Plans for Low Grade Ore Heap, Western
States Minerals Corporation, Drum Mine, ACT/027/007,
Millard County, Utah

The Division has received your letter dated November 14, 1984 submitted in response to our November 5, 1984 letter concerning conditional approval for the plans for a low grade ore heap at the Drum Mine. I must apologize for the delay in providing a Division response to your last submission.

The response provided is adequate to meet the remaining concerns and conditions as set forth in the November 5 letter. The operator is hereby granted final approval to proceed with the development in accordance with the plans provided to date.

Once again we thank you for your patience and cooperation in the permitting effort. Should questions arise, please feel free to contact me anytime.

Sincerely,

D. Wayne Hedberg
Permit Supervisor/
Reclamation Hydrologist
